

SOLUTIONS FOR SENIOR LIVING

TOUCH OF COLOR FLOORING

YOUR SUPPLY PARTNERS

With more than 15 years of experience serving senior living communities, we are well aware of the diverse needs of this market and how best to serve it. It's why we think of our senior living clients as Partners and not simply Customers.

PRIORITY ON PRICING

We know that all of the perks in the world don't matter if the price isn't right. It's why we leverage our corporate buying power to get you the best prices.

PROS HELPING PROS

Our expert team can work with you to provide design consultation, including complimentary showroom consultation, set-up, and design.

CUSTOM DATA

We're able to provide data and statistical analysis on each job, and can customize the data to fit your needs.

YOUR INPUT MATTERS

As part of our efforts to remain the best supply partners we can be, we conduct bi-annual customer satisfaction surveys so that we can use customer feedback to continually improve our level of service.

PROUDLY SERVING

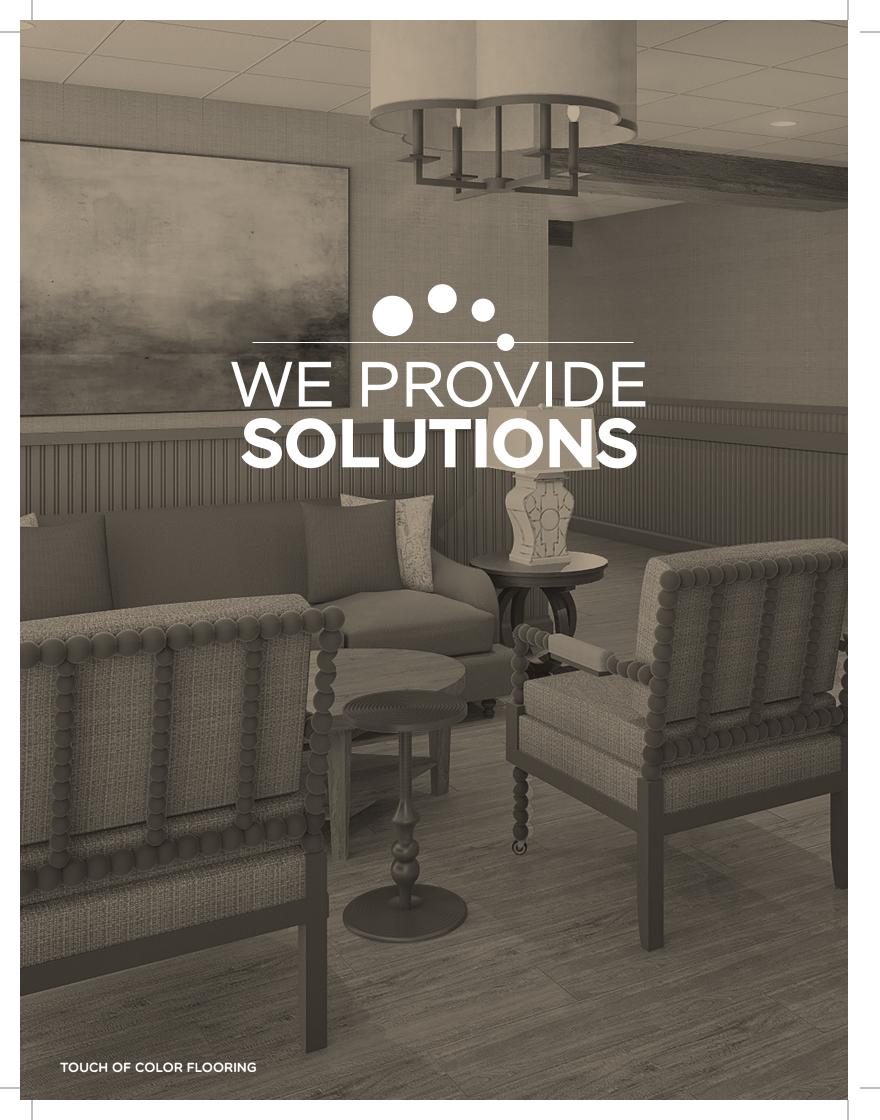

SOLUTIONS THAT WORK

In any project, flooring is an important component in creating comfortable and attractive spaces. However, in a senior living facility flooring decisions need to factor in the safety and health of aging residents.

From common areas to resident's personal spaces, Touch of Color has the experience to provide facilities that are both safe and stylish, resulting in an experience that enriches residents lives.

FOCUSED AND COMMITTED

Our staff is not only passionate about what they do, but they are experts in the field, able to guide you with helpful advice and product knowledge.

WE SPEAK YOUR LANGUAGE

We have a clear understanding of your pain points as well as your concerns. It's our goal to walk beside you and lend a helping hand to navigate these tricky areas.

STYLE WON'T TAKE A BACK SEAT TO SAFETY

In addition to our vast knowledge of the market, we are able to utilize the product expertise of our other divisions to stay on top of the latest trends and styles.

Our 5000 square foot design center provides an excellent resource for inspiration and product sampling.

DEDICATED TO SENIOR LIVING

Touch of Color is thoroughly dedicated to improving the lives of seniors through our active involvement with senior living organizations such as LeadingAge PA and the Pennsylvania Assisted Living Association.

GOING THE EXTRA MILE

Little perks add up. It's why we're always willing to go the extra mile for our senior living partners. Here's just a few of the ways we'll always have your back.

TOP-TIER INSTALLATION

Our installation process is safety-driven through our installer training program and checklists.

As an additional layer of quality assurance, our field supervisors oversee the entire installation process from start to finish, ensuring we provide the best results for the facility and its residents.

PRICING AND PROTECTION

We purchase directly from suppliers and pass the savings on to you, helping you keep your project within its budget.

On the rare chance that issues arise, our service and warranty department will work hand in hand with you to provide a timely resolution.

RAPID RESPONSE

Our agile team is able to quickly respond to your needs and can deploy quickly to begin your project within your timetable.
